

# BLESSED ARE THE HUNGRY & THIRSTY

**Theme:** Experiencing God

**Word:** Matthew 5:6

*Blessed are those who hunger and thirst for righteousness, for they will be filled.*

## **Discussion:**

1. What does it mean to be hungry and thirsty? What do we hunger and thirst for?
2. How are we blessed when we hunger and thirst?
3. How are you continually seeking God?

## **Prayer Points:**

1. Pray for someone you know who needs to “eat & drink” of the bread and water that Jesus offers.
2. Pray that our church both Queens Bible Church and the universal church (our brothers and sisters around the world) will fervently desire righteousness.
